Conversations and best wishes to Bill Savage, all-around nice guy and good reporter, who is leaving another Carbondale weekly for a new post with the Abington Journal, Clark Summit, a division of Penna Press.

Ditto to Jack Ward of Jermyn, transferring to the Queens, N.Y., branch of Grumman-Quon of Mayfield. Likewise good luck to Jermyn's Deanne Stevens, who got a piece of the rock and is on training for a post with Prudential Insurance.

Happily bid 2nd birthday August 14 to Mr. Susan Walters, 18 Bacon St., Jermyn, and to her younger sister, Marjorie Ellen Walters, 416 Gibson St., Jermyn, sixteen on Aug. 19. More of the same natal day wishes to Jermyn insurance exec Arthur P. (for Pretoria Waino a Chapman Lake resident, who celebrated Aug. 13, and to his better-

half, Thais, on Aug. 20.

Alysworth Creek Park, East Jermyn, having a successful summer, from all accounts, despite their printer's having printed up their bumper stickers ALYES. WORTH. ditto the Dundaff Street detour directions that read "Dundaff" and "Dundaff" never make mistakes (Lead on, MacDuff). Sorry to see Taylor Rental pull out of its Childs location, happy to see Travelways business (Amable & Propt) now occupying the same site.

Deep sympathy to the former Adele Modak and her family on the loss of their son, Alvin Modak, Pioneer City pioneer businessman, and to the family of the late Mike Chap, formerly of Jermyn. Once an Affine Insurance claims supervisor, Mike had most recently resided in Clark Green. Despite a long illness, he ran in the May primary for county clerk of judicial records and made an excellent showing against Bill Rinaldi.

Deep condolences to good friend and FOREST CITY NEWS publisher John Kamen and Carol, on the recent death of his Mother.

Hope you're feeling better wishes to Billy Mayne, Henry Drive, Jermyn, just released from Mid-Valley Hospital.

When it came time to plan the entertainment for this year's Pioneer Days activities, the Pioneer Days committee requested the use of Scranton's showmobile.

The committee's request was denied. They were faced with a problem: Needing a stage large enough to present entertainment ranging from a small group or single singer to a large band, the committee searched for a solution.

Unable to locate another showmobile, they banded together and came up with a solution: "Why don't we build our own?"

Spall, president of Pioneer Days, Inc., outlined the dilemma: "I put out about a month ago, we had obtained the Scranton showmobile. (That city had donated the use of the showmobile for the first and second annual celebration.)
